There Are No Barriers Between Us

We Laugh, Walk, and Play Together

The Trials and Tribulations

of an Average School Day

To the Future . . .

The Unknown Days That Lie Ahead

Dedication

To the FUTURE with hope that it may fulfill our every want and desire, we, the graduating class of 1967 do hopefully dedicate this ninth volume of the CENTRALIA.

In Memoriam

Mrs. Eleanor Roberts

Colonel Jacob Ward

Death can take from us the joy of
laughter and the love of beauty.
It can take the love and kindness you
have known for ages.
Many things are changed when this soft
wave of stillness creeps upon and
lingers with a person we love.
Nothing can cause you to lose the mem-
ory of two people as these.
They shared with us their knowledge
and their concern for us.
That is why they came; and for that
reason, we will remember them
for years unnumbered.

Norma Jean Moody

Darrell, a boy so young and fair,
With a love, he wanted to share.
An only child, was he,
But good, as good could be.
Whether it was work, or play,
He was always, happy and gay.
The Bible, he would daily read,
And advised people, to take heed.
The son of a minister, he had a good home,
He has never been a boy that wanted to
 roam.
To his mother, he was very devoted,
Her love for him, was one that was noted.
Illness struck sudden, December of Sixty-
 five,
And the sad--sad news, spread far and wide.
Friends prayed, his life God would spare,
The thought of death, was more than they
 could bear.
Hospital care, he was given the best,
Parents and friends, went without rest.
Rainy, snowy and cold, the weather was bad,
No help was this, to Mother and Dad.
Daisy, his dog, he did call her name,
And they could see, that things weren't
 going to be the same.
A junior in high school, a career he would soon
 seek,
But God had an appointment, for him to keep.
God knows best, and a call he gave
And Darrell left us, young and brave.
A home in heaven, we know he has,
But he leaves us, so lonely and sad.

Mrs. J.D. Chrisco

In Memoriam

"Uncle Johnny" Gone, but not forgotten. He was a man devoted to the task of keeping our school a clean place in which to work and study. His efficiency and hard work go unequaled.

Although he often worked long hours, he always had a friendly smile for everyone he met. "Uncle Johnny" will long be remembered by many of the students at C.H.S.

Mrs. Shirley Gaines

As you enter the high school office, you can expect to be greeted by a friendly smile and a kind word from the school secretary, Mrs. Shirley Gaines.

For the first time, this year we have two teachers' aides, Mrs. Nall and Miss Williams. They have taken many burdens from the teachers' shoulders.

Our sincere appreciation goes to each member of our faculty.

Although the Bears didn't have a very successful season, the future looks brighter. The Varsity was hit hard by injuries this season, which is one of the reasons for such an unimpressive year. Even though many key players were hurt, the Bears never gave up and quit. The coaches and players should be given much credit for all the hard work which they put forth during the whole season.

Boys Take to the Hardwood

The Varsity boys played in the Randolph County Conference this year. They found the competition keener and this made the going a little rough at times. Even though the boys didn't do too well in compiling an overall record of 3-17, they still played some good basketball at times.

The Chatham Central baseball team will play in the Randolph County Conference this spring. Although the Bears lost several boys by graduation last year, they should field a good team this year. Due to the fact that the annual staff had to meet a deadline for the annual, this is all that could be compiled of this year's team.

This, That, and the Other

They All Lived Happily Ever After

The End

Gerry,

I must say that you have really changed a lot since the first time I saw you. I'll never forget you coming to Bennett when we were in the 3rd grade. I thought you were the meanest little boy I had ever seen.

I'll never forget all the basketball games. You were really great that night at Silk Hope when you scored the 2 winning points. And just a freshman at that! Gerry, you've got the makings of a great athlete and I hope you never let that ability go "down the drain." Don't let this year's football & basketball season get you discouraged. You still have another year, and I'm sure that our boys will prove to everyone else what Centrals fans already know - that we really have two fine ball clubs.

You have proved to the people at Central what the people at Bennett already knew - that you are a truly great person with outstanding qualities. You have a wonderful personality which has won & will continue to win you many friends. I will never forget you Gerry & will always remember you as the simply great person that you are.

Landi is really a lucky girl; but, then you're also a lucky boy. Never change!

Best wishes.

Love,
Steve

Derry,

It has been fun going to school with you for the past years. You are a great person to have for a friend and your friendship means a lot to anyone. When I said you were a great person, I meant it because you are outstanding in sports, intelligent in your studies, and a very good singer. You are a very nice and likeable person and don't ever change. May all the luck and happiness in life come to you in the future because it couldn't come to a more deserving person. In the future I hope to see you playing professional baseball with the New York Yankees, and I'm sure I will.

A friend always,
Betty Sue

Derry,

Darry,
your friendship
has really meant a
lot to me these past
few years. You're the type
of person everybody likes to
know and be with. I'll never
forget all the times playing basketball
and all the fun we all had. Sandy and you
both are just great! Best of wishes and May God
bless you.
A friend,
Janice

Darry,
I guess that you are glad
to be out of school because it
seems you got the most out of
playing outside! This last year
a wild year and you with your
dumb antics have made even the
dullest day better! I know you will
be good to you because you've got
someone working for you most of us
are never really close to
could say! There's really no one
up! But! There's really no one
to can out of life. I got the most
and keep you old lady. Stay
But don't get too serious —
doesn't pay! Believe me!
Love ya,
Beck

Gerry,

Its very hard for me to put into words what your friendship has meant to me. So many times have I brought my problems to you because I knew you would try to help me. But there was one problem ~~none~~ ~~known~~ ~~one~~ could help me with.

I'll never forget all the great times we've had together. I hope there will be many more in the future for us.

Gerry, I wish you all the happiness and success there is in life. Always stay as nice as you are now and your life will always be full of joy.

May God bless you always and keep you safe.

Love ya'
Kathy

Gerry,

This has been a wonderful year and you have helped to make it that way. You could hardly know how much I've really enjoyed it. Throughout the year those smart remarks have kept me laughing or "gripping". That sneaky smile and "big brown eyes" have always been there to brighten my day!

I could hardly find time to write about all the wonderful times we've had together! Do you remember the night you let me drive in Siler? I still say that I've never seen those "No Turn" signs before! And what about the night we had a flat tire at the Drive-in? I don't see how you could stand all my silly giggling!

Above all Gerry, I want to tell you how proud I was to cheer for you and the rest of the team. You all worked so hard!

Gerry, knowing you as well as I do I can honestly say that you're a wonderful guy and no matter what happens I'm sure you'll always strive for the highest goals in life. May God always bless you!

Love you
Sandy
